

# Open Meeting 2021 - Celebrating 50 years of the DMDG

18 - 20 October 2021

ONLINE MEETING

## SPONSORSHIP OPPORTUNITIES

The DMDG is excited to announce sponsorship opportunities for our **Open Meeting 2021 - “Celebrating 50 years of the DMDG”**. The meeting will be held online on the 18 - 20 October 2021. The aim of the meeting is to produce a lively open discussion around the key topics of interest with delegates from a wide range of companies and academia. There are a number of sponsorship packages on offer to enable sponsors to fully participate in the meeting and the scientific discussion. Where possible we strongly encourage each sponsoring company to send scientists to attend, the delegate pass will include access to all of the talks and the poster session.

During the pandemic, we have worked hard to be able to bring you the above online via our own unique interactive meetings platform to ensure the scientific community continues to be engaged with the DMDG. In the absence of physical meetings and exhibitions taking place currently, our online interactive platform offers some unique sponsor options that still allow you to interact ‘live’ with delegates, as well as some other ways of giving your company maximum exposure. Contact us to find out more!
